

Schedule a Gigamon Executive Briefing

Meet with our team to accelerate both new ideas and solutions that can address your business priorities now and in the new tomorrow.

INTRODUCTION

The Gigamon Executive Briefing Program has gone **virtual**. Our virtual meetings consist of 2 or 4-hour sessions where you will meet with our executives, solution experts, product managers and engineers.

Gigamon can help your organization to run faster and stay more secure while optimizing costs. With unified visibility and analytics on all information-in-motion across your hybrid infrastructure, your organization can save time, save money and stay prepared for the new tomorrow, whatever it may bring.

WHAT YOU GET

- + Shared knowledge from experts working with hundreds of complex global organizations
- + A customized agenda focused on your unique challenges and business needs
- + Live demos of Gigamon solutions in action
- + Access to Gigamon executives, product managers and solution experts

EXECUTIVE & THOUGHT LEADERSHIP TOPICS

Hear from Gigamon executives and subject matter experts on current business and technology trends:

- + Security in the new tomorrow
- + Industry insights for Zero Trust and NetOps 2.0
- + Challenges and best practices of effective digital transformation
- + NetOps journey to the cloud
- + Product roadmap - what lies ahead?

TECHNICAL BRIEFINGS

Designed to provide technical deep-dives and live demos of leading Gigamon products and solutions that solve for the hardest network visibility and security analytics problems of the day. Sample topics include:

- + TLS 1.3 decryption and inline SSL
- + Network detection and response
- + Application intelligence
- + Control and visibility into cloud operations

WHAT TO EXPECT

- + A custom-built agenda, for a 2 or 4 hour meeting
- + Flexible scheduling for EMEA or APAC time zones
- + Lunch on us. DoorDash or Grubhub where available
- + Virtual call details

GETTING STARTED

- + Gather your cross-functional team together to get the most value for your organization
- + **Schedule your Executive Briefing today.** Contact your sales representative to schedule a virtual Executive Briefing or get in touch at executivebriefings@gigamon.com.

ABOUT GIGAMON

Gigamon is the first company to deliver unified network visibility and analytics on all information-in-motion, from raw packets to apps, across physical, virtual and cloud infrastructure. We aggregate, transform and analyze network traffic to solve for critical performance and security needs, including rapid threat detection and response, freeing your organization to drive digital innovation.
